

# Well Water Test Kit Request Form

The easiest way to get a water test kit is to **CALL** the State Laboratory of Hygiene at 608-224-6202 or 800-442-4618. They can assist you in choosing the correct test(s).

Or send this request form in with payment to:

State Laboratory of Hygiene  
Environmental Health Division  
2601 Agriculture Drive  
P. O. Box 7996  
Madison, WI 53707-7996  
Lab Hours: 7:45 a.m. - 4:30 p.m. Monday – Friday

Please send me a water test kit. I wish to have the following test done on the water sample submitted from my private well.
